Editorial notes for Volume 15 (2016) of the Journal of Information and Systems in Education: the Official English Journal of Japanese Society for Information and Systems in Education

Tsukasa Hirashima

The 15th volume of the Journal of Information and Systems in Education has been published under the following editorial board and reviewers. In the term of Vol.15, we reviewed 11 submissions and decided to publish five original papers and one report on practice. I sincerely appreciate everyone concerned for this volume.
